ABOUT

With my passion for software development and technology, I work on modern technologies like JavaScript and React. I bring innovative solutions to projects through my problem-solving and analytical thinking skills. I am open to learning, a team player, and result-oriented. By continuously improving myself, I aim to make steady progress in the world of software development.

WORK EXPERIENCE

UI DEVELOPER

JOTFORM - ISTANBUL - 08/2023 - 09/2023

- I contributed to the development of an AI-powered style suggestion panel based on React and PHP. Through this project, I gained proficiency in React, Redux, Tailwind, and SCSS, and learned how to work on large-scale projects.

BT SYSTEM SOLUTIONS SUPPORT

LDAP - ISTANBUL - 07/2022 - 09/2022

- I played a role in the process of solving system and network issues for the company's clients and affiliated firms.
